

HARRINGTON PARK MISSION SUNDAY SCHOOL

We the undersigned agree to contribute what we can toward the erection of a suitable Building for the above. The amount required is not a great deal considering the vast amount of good this is going to do our little settlement. The Trustees have a plot of ground which has been generously donated and when sufficient funds have been secured the Building will be commenced.

All information can be obtained from the Secy and Treas Board of Trustees

James D. Haring.
