

e live in a world where we keep so busy, yet we wonder if we're getting anything done – if there's meaning in any of it.

Christ pours meaning into our lives by showing us who we are created to be.

We live in a world with such a frenetic pace, where we are anxious and uncertain.

Jesus brings us peace by showing us how deeply we're loved.

We live in a world where we're surrounded by people and yet we often feel alone.

The Community Church in Harrington Park

*Christ calls us into a loving community.* 

Here, in this church, we are in the process of discovering the meaning, peace, and life-giving love of Jesus Christ.

We invite you into that journey with us.

<b>Order of Worship</b> We are caring believers who grow, share, and live out our faith in Christ.
